**OPES Acquisition Corp.'s Target BurgerFi Inks 30+ LOIs for New Locations**  
*BurgerFi Plans to Open Nine Additional Units by Year-End 2020*

**Miami, FL and West Palm Beach, FL — September 3, 2020** – OPES Acquisition Corp.'s (NASDAQ: OPES) business combination target, BurgerFi International, one of the nation's fastest-growing premium fast-casual concepts with approximately 125 locations spanning across 23 states and two countries internationally, has signed letters of intent (LOI) for 30+ new units. In addition to the signed LOIs, the better-burger brand has nine new stores scheduled to open before the end of the year.

As part of BurgerFi's aggressive growth plans, the brand has signed LOIs for 18 new locations in its home state of Florida and an additional 12 more outside of Florida, including a mix of traditional and non-traditional units. The expansion news comes on the heels of BurgerFi's partnership with REEF Technology to open ghost kitchens – delivery-only neighborhood kitchens – in new markets across the U.S.

"This development represents an exciting first step in solidifying brand recognition in key markets where BurgerFi already has a strong presence and we believe that it primes the path for our strategic vision to continue our market expansion," said Ophir Sternberg, Chairman & CEO of OPES Acquisition Corp. "Franchisees have been doubling down on their investment and looking to expand their footprint."

Manuel Sánchez Ortega, a multi-unit BurgerFi franchisee based in the DC-MD-VA area, and an active member of the BurgerFi Franchise Advisory Council, has elected to expand the group's territory to include five more restaurants in addition to the five they currently own and operate. In September, they will open a new location in Towson, MD and another in Columbia, MD shortly thereafter. Sánchez Ortega is one of many existing BurgerFi franchisees who is expanding and reinvesting in BurgerFi's growth since news of the merger.

"We believe the eagerness to expand is indicative of not only BurgerFi's performance, but also our strong relationships with our franchise community," noted BurgerFi's President Charlie Guzzetta.

"Being part of the BurgerFi team has been a very rewarding experience," said Manuel Sánchez Ortega. "I have seen first-hand how happy the guests are with the quality of the food, and how it meets the needs of the next generation of consumers who demand transparency and better-for-you ingredients. I'm very excited to grow my group of restaurants during this new phase of development for the entire BurgerFi family."

BurgerFi is also expanding its international presence with a recent uptick in franchise inquiries and a newly signed six-unit term sheet for Saudi Arabia (KSA) – Eastern Province, further expanding the brand's footprint in the Gulf Cooperation Council (GCC). OPES and BurgerFi are currently on track to merge in Q4 of 2020.
